## EXPERIENCE REPORT (approx. 3 pages + more photos if applicable)

### 1) Traineeship institution

*Please give a brief description of your host traineeship institution.*

Vision Factory is a multitasking digital creative agency, primarily focused on the monetization of databases, through our Direct and Email Marketing Channels. It offers investment consulting who is interested in increasing their wealth

### 2) Searching for a traineeship

*How did you find your traineeship? Are there any recommendable links or other helpful tips you would like to share?*

I found the traineeship through the link that is provided by our university, OVGU.

### 3) Preparation

*How did you prepare for your traineeship in terms of language, intercultural, professional and organisational aspects? Are there any recommendable links or other helpful tips you would like to share?*

I read a lot about other students' experiences about traineeship. Before starting my traineeship in another country I was ready what to expect and which difficulties I will face. I would recommend to others to read and talk to former trainees about their experience in order to expect which difficulties they are going to face.

#### **4) Accommodation**

*How did you find your accommodation? Are there any recommendable links or other helpful tips you would like to share?*

I did not have any difficulty to find an accomadation since, there are enough accomodations were offered at the time I started my traineeship

#### **5) Traineeship**

*Please describe the tasks and / or the projects carried out during your traineeship. In which way were you mentored and integrated? How were the working conditions? Did you have especially positive or negative experiences?*

My tasks were especially observing stock and crypto markets. While observing I was supposed to prepare reports based on technical analysis which were shared with customers who wanted to invest.

#### **6) Acquired qualifications**

*Which qualifications and skills could you acquire or improve during your traineeship?*

I had to improve my understanding of financial markets and acquire technical and fundamental analysis skills. Moreover, after preparing the reports I had to present it to my mentor. Therefore, the presentaton skills that I had before the traineeship were not enough and during my traineeship I improves those skills.

#### **7) Country-specific features**

*Are there any specific traineeship regulations in the target country that affected you as an Erasmus trainee (e.g. France: housing allowance, convention de stage? If yes, which ones? Are there any recommendable links or other helpful tips you would like to share?*

No, there was not

#### **8) Visa, residence and work permit (only for international students)**

*Which prearrangements had to be made in terms of visa, residence and work permit? Are there any recommendable links or other helpful tips you would like to share?*

No

#### **9) Other**

*Is there anything else you want to let other students know?*

#### **10) Conclusion**

*What is the conclusion drawn after your traineeship experience abroad?*

During my traineeship I did not only improve my financial analysis skills. Moreover, I met a lot of people from different cultural background which I believe helped me to improve my intercultural competency.
